A CULTURE OF CARE

The Xounts philosophy comprises three main values that inform every part of our business:

Experience

Xounts makes products that surround your senses. We want every speaker we sell to enrich our customers' lives.

Connection

Music brings us together like nothing else and Xounts is at the core of that connection, in more ways than one.

- Xounts connects to your tech. We make it simple to set up and connect your unit to any source that gives you pleasure. Truly the last speaker you'll ever need to buy.
- Xounts helps you better connect to the songs you love.
- Xounts is connected to the greater picture, supporting music through connection with non-profits such as MusiCares.

Difference

Xounts products are built on a difference you'll hear and see right away. Attention-grabbing design and sound quality that surprises, you'll be listening to your favorite music as if for the first time!
